

Edna Ferber

Emma McChesney and Company

This is the final volume in the trilogy following the smart, stylish, divorced and independent businesswoman Emma McChesney in her career from stenographer, then drummer (traveling salesman) to owner of her own company. (The first was *Roast Beef, Medium* and the second *Personality Plus* both in the LibriVox catalog). Edna Ferber first gained success with these stories and later went on to write *Show Boat*, *Giant* and other well known books. First published in 1915, Emma's son, Jock, has moved to Chicago with his new wife. Emma decides to sell in South America and proves she has not lost her magic touch. Emma gets involved in romance, saving a business and many other things. Emma symbolizes the ideal woman at the dawn of the twentieth century: sharp, capable, charming, and progressive.
